The 7th IIAE International Conference on Intelligent Systems and Image Processing 2019 (ICISIP2019) will be held in Taiwan. ICISIP2019 is organized by the Institute of Industrial Applications Engineers (IIAE). The conference offers keynote speeches, oral presentation session, poster session, video presentation, exhibition and other forms of communication and information exchange. Authors are invited to submit papers describing new technologies and trends about intelligent systems and image processing.

Organizer

Support

Publication

All accepted papers, including papers for video presentation, will appear in the conference proceedings on the condition that at least one author should complete registration by the due date. Authors of papers for video presentation should send their videos to the organizing committee after the submission of their full papers. Selected papers will be recommended for publication in JIIAE (published by IIAE) or journals indexed by EI compendex, and the special issues of the following our journals:

- **Journal of Imaging (Special Issues)**

Recommended papers will be formally published once they meet the quality requirements of the journals after an independent review, revision and modification process:

Important Dates

Submission of full papers
7 June, 2019
Notification of acceptance
28 June, 2019
Final paper submission
12 July, 2019

The Topics

1. Electrical and Electronic System
2. Mechanical and Control System
3. Sensing and Measurement System
4. Information and Network System
5. Image Processing
6. Others
