The 5th IIAE International Conference on Industrial Application Engineering 2017 (ICIAE2017) will be held in Kitakyushu, Japan. ICIAE2017 is organized by the Institute of Industrial Applications Engineers (IIAE). The conference offers keynote speeches, oral presentation session, poster session, video presentation, exhibition and other forms of communication and information exchange. Authors are invited to submit papers describing new technologies and trends for industrial applications related to the following topics, but not limited to.

Organizer

Publication

All accepted papers, including papers for video presentation, will appear in the conference proceedings on the condition that at least one author should complete registration by the due date. Authors of papers for video presentation should send their videos to the organizing committee after the submission of their full papers. Selected papers will be recommended for publication in JIIAE (published by IIAE) or journals indexed by EI compendex. Recommended papers will be formally published once they meet the quality requirements of the journals after an independent review, revision and modification process.
