The 4th IIAE International Conference on Intelligent Systems and Image Processing 2016 (ICISIP2016) will be held in Kyoto, Japan. ICISIP2016 is organized by the Institute of Industrial Applications Engineers (IIAE). The conference offers keynote speeches, oral presentation session, poster session, video presentation, exhibition and other forms of communication and information exchange. Authors are invited to submit papers describing new technologies and trends about intelligent systems and image processing.

### Organizer

### Support

IEEE

SICE

EIC

### Publication

All accepted papers, including papers for video presentation, will appear in the conference proceedings on the condition that at least one author should complete registration by the due date. Authors of papers for video presentation should send their videos to the organizing committee after the submission of their full papers. Selected papers will be recommended for publication in IIAE (published by IIAE). Recommended papers will be formally published once they meet the quality requirements of the journals after an independent review, revision and modification process.

### Important Dates

Submission of full papers  
**17 June, 2016**  
Notification of acceptance  
**8 July, 2016**  
Final paper submission  
**22 July, 2016**

### The Topics

1. Electrical and Electronic System
2. Mechanical and Control System
3. Sensing and Measurement System
4. Information and Network System
5. Image Processing
6. Others
